

**MIDWEST  
GOLF COURSE  
OWNERS  
ASSOCIATION**

**22<sup>nd</sup> ANNUAL CONFERENCE & TRADE SHOW**

**Tuesday October 30<sup>th</sup>, 2018**

**ENVISION CENTER (formerly Prom Center) Oakdale, Minnesota  
I-94 EXIT #250 (INWOOD/RADIO ROAD EXIT)**

***This Day is about YOU, not us!***

A wise Professor once said “if you can tell me what you don’t know, I’ll be able to tell you what you’ll learn in my class”

Today’s conference is all about what we hope **YOU**, an owner or manager may want or need to learn. More importantly, **YOU** have a chance through *interactivity* to share questions and attend discussions with these same experts in their field. First they’ll *talk*, then **YOU ask** in smaller 15-minute sessions, with other owners, to learn “what **YOU** don’t know,” as the Professor said.

It’s also meant to be “fun” for **YOU**. To say hello to friends and neighbors in the golf business, and meet newer owners who may be following in their family’s footsteps with many new ideas.

Add to that great food and visiting with old and new suppliers so **YOU** have a great way to spend a day.

**Chris Sauer, President and your MWGCOA Board of Directors**

This important one-day event could have a long-lasting effect on  
*any* golf course owner of *any kind anywhere!*
